ELNA Meeting Minutes   January 9th, 2017

Reminder to be recording – meetings attended for the ELNA Quarterly report

New Business:
1. City-wide Sidewalk Plan
Mark Theil presented at the LAN meeting what the city is looking at in terms of a city wide plan. Currently looking at breaking up the city into 8 segments.
Looking at ½ inch difference?
Potential method for fixing up sidewalks discussed:
    Looking at having sidewalks fixed paid by residents –
    City would have contractors
    Didn't have a response to brick

Neighborhood history – Sidewalks were put in with city money (homeowner grant) work done by homeowners & facilitated by neighborhoods. ~1964+

Recurring updates:
