Meeting called to order by Phil Collison. Minutes were not available.

Meeting ground rules were reviewed by Phil.

Tony Krsnish reviewed future plans for the area between 8th and 9th on Pennsylvania. Penn Lofts will contain 71 units. Most will be one bedroom or studios. There will be 4 two bedroom units and 9 work/live units. The buildings will also contain 9000 sq feet of commercial space. There will be affordable housing units. Trash bins will be at shrubbery height. Questions were asked about lighting. Tony indicated he would like a letter of support at some time in the future. Construction will tentatively begin in December.

Murphy-Brommelsick house at Hobb's Park is available for reservation. It was moved to the park 17 years ago and has AC /Heat/Lights. Dave suggested we all think of ways it can be used.

Katy Clagett and Caitlyn Fish gave an update of the Intersection Repair project in Brook Creek. The tentative paint day is June 3. Dave moved to write a letter of support. Chris seconded. Motion passed. Phil to write the letter.

President's Report: Letter of support for 1106 RI for historical award. CDGB: met with the other neighborhoods to discuss ways to synergize as a group to decrease printing costs.

Coordinator: Yart sale is coming up on 4/1. Hangers are needed. Cleanup of Burroughs Trail will be 4/8. The combination yard sale will be 6/3.

Budget/Fundraising: Home tour committee gave an update.

Cindy moved to adjourn the meeting. Pam seconded. Meeting was adjourned.
